

## Medical Volunteers

**SATURDAY, OCTOBER 17, 2020 | FREE COVID-19 ANTIBODY TESTING**

In continued collaboration with City of Compton/Mayor Aja Brown, our byeCOVID Healthcare Task Force will administer free *walk-up* and *driver* COVID-19 antibody testing at Love & Unity Church.

See more at [byecovid.org](https://byecovid.org)

Our Healthcare Task Force is in need of medical volunteers to assist in administering antibody test that require a finger prick blood sample. Health Educators and Public Health Practitioners are also part of our team. Personal Protective Equipment (PPE), Certificate of Participation, Continuing Education Units and lunch will be provided to all Healthcare Task Force volunteers.

**To join, please complete the [Healthcare Task Force](#) registration form. Orientation and training sessions will be held last week in September!**
